

ANY GIVEN CHILD INITIATIVE SURVEY TEACHER - SPECIALISTS

Your participation in this brief survey will help determine the future of arts education for all K-8 students in southern Nevada. As part of the *Any Given Child Initiative* with the Kennedy Center, the Community Arts Team is collecting survey data to gain input that will be used to create a customized, long-range plan for comprehensive arts education (K-8) that is equitable and sustainable. For the purposes of this survey, arts education is defined as modes of learning and experiences in the art disciplines of dance, music, theater, visual art, and arts integration.
